

# PRESENTATIONS

- **Every team will have 3 minutes to present their projects**
- **Components: 2 minute Elevator Pitch Presentation + 1 minute Demo Video**
- **Slides are optional but you will be expected to speak. Must be in Google Slides or pptx.**
  - **Discuss what your project is, how it works, who the target audience is, and any more information that is relevant**
  - **Submit through Google Form**
- **Every team will also have to submit a 1 minute video that demonstrates your project at work and at the end of the presentation, the teams must play the demonstration video to qualify for awards**
- **Instructional Videos will be posted on how to submit your presentations and videos later**
